ABOUT US

The New Zealand Chinese Building Industry Association (NZCBIA) is a non-profit professional organisation. The Association represents a wide range of businesses and professionals in the building industry in New Zealand as well as the Kiwi business and professionals that have close working relationships in the Chinese building sector.

NZCBIA is focused on providing our valued members, with the tools and resources to take your business and/or your professional career to the next level and providing you a platform to raise your voice in the New Zealand Property & Building Industry and wider community. Becoming a NZCBIA member also means that you've taken a step in the right direction to tap into the fastest-growing segment of the industry and an established community of successful entrepreneurs and professionals.

BLUEPRINT FOR SUCCESS: OUR GUIDING PRINCIPLES

VISION

To be the leading New Zealand building industry association, celebrated for its dedication to professionalism, collaboration, sustainability, and social responsibility.

MISSION

At the heart of our mission is our passion to provide world-class professional development and networking opportunities, and by connecting and championing Chinese building professionals to New Zealand industries.

PURPOSE

To lay the foundations for a thriving future of our industry and society by elevating the professionalism and leadership of the Chinese Property and Building Industry in New Zealand.

VALUES

Pursuit of Excellence: We pursue excellence in all aspects of our work, from professional leadership, craftsmanship, innovation, and we hold ourselves to the highest standards in every project we undertake.

Collaborating Powerful Relationships: We're passionate about unleashing the full potential of collaboration and knowledge sharing among members, igniting a dynamic culture of cooperation that bridges the culture gap within the industry.

Diversity and Inclusivity: We're committed to celebrating diversity and inclusivity throughout the industry, with a culture that's welcoming, supportive, encouraging, and respectful of every person's uniqueness.

Creating Future Sustainability: We champion sustainable practices in the building industry, fuelled by the desire to create a sustainable future for all New Zealanders with every project we undertake.

Altruistic and Dedicated: We wholeheartedly commit ourselves to fulfilling and upholding our altruistic social responsibilities with enthusiasm and dedication.

Creating a Legacy: We're on a mission to create a legacy by realising our vision and embodying our purpose and values.

03 NZCBIA Industry Annual Report – Parliamentary Launch

EVENT INFO

In 2024, NZCBIA released its first Industry Annual Report – “NZ Building & Construction Sector” report, marking a key milestone for the association and the wider building sector. The launch was held at New Zealand Parliament and attended by invited industry leaders and policymakers.

The report was independently researched and written by economists Shamubeel Eaquad and Rosie Collins, offering valuable insights into the state and outlook of the construction industry. Hon Chris Penk, Minister for Building and Construction, also contributed a foreword to the report.

This annual event is by invitation only and is set to become a flagship occasion for NZCBIA. Each year, a new edition of the Industry Annual Report will be released and officially launched at Parliament, continuing to foster informed dialogue and collaboration across the industry.

09 NZCBIA Excellence Awards

EVENT INFO

The NZCBIA Excellence Awards were initiated by NZCBIA in 2019. These awards aim to promote the quality and reputation achieved by Chinese people and building practitioners within the New Zealand building industry.

The NZCBIA Excellence Awards recognise achievements, developments and innovation within New Zealand's building industry. These awards feature a wide range of categories for solution providers, contractors, architects, civil engineers, developers and project managers. Award-winning entrants in this event showcase genuine exemplars. With this in mind, we are encouraging project teams to consider their role in developing future project leaders, supporting projects that diversify the building industry, and enhancing the industry's reputation through the outcomes their projects deliver.
